The time is **now**
to replace your
Aprilaire Air Filter!

Call today!

Our records indicate it's time to replace the filter in your Aprilaire or Space-Gard Air Cleaner.

It is important to replace your filter once a year. A properly maintained air cleaner will:

- **Continue to deliver clean indoor air year-round**
- **Increase the life of your heating and cooling system**
- **Keep your system running at top efficiency**
- **Save energy**

Don't be fooled by imitations.
Look for the Use Genuine™
Aprilaire seal to ensure
peak performance.
