Protect your home with an Aprilaire Central Dehumidifier.

Get rid of mold, mildew and other nasty invaders by protecting yourself with an Aprilaire Central Dehumidifier. It guards against excess moisture that can damage furniture, window frames, draperies and even trigger allergy symptoms.

- Say goodbye to musty unhealthy odors
- Feel comfortable at higher temperatures
- Save energy—Don't over cool your house
- Wipe out that clammy feeling
- Peace of mind—control mold and mildew growth when your away from home.
