The Aprilaire Model 5000 Electronic Air Cleaner

Your family deserves the very cleanest air. You can have it every day, all year round with the Aprilaire Model 5000 Whole-Home Electronic Air Cleaner. Unlike portable units, the Aprilaire Model 5000 works silently throughout your *entire* home for the cleanest, healthiest indoor air possible.

- It's the highest efficiency system available
- Permanently traps viruses, mold and spores
- Cleans all of the air in every room over 4 times per hour
- Lowest cost to own and operate
- Rated #1 by the leading ratings magazine

Make sure your family can breathe easy in every room of your home—every day of the year. Call us today.
